Blooming Buds has been prepared keeping in mind the needs of the undergraduate student in today's world. It seeks to introduce students to contemporary as well as classic literature. The textbook thus features a choice selection of modern authors like A.P.J. Abdul Kalam, Sudha Murthy and Maneka Gandhi, alongside writers beloved to multiple generations, like Rudyard Kipling and William Blake. Pre-reading questions before each text encourage the student to engage deeply with the theme. The meanings of difficult words are provided at the end of each page for easier comprehension, and various kinds of questions at the end of each chapter test the student's retention and understanding.

Sound knowledge of English and good communication skills are essential in today's competitive world. The sections on Grammar and Communication Skills are designed to fulfil this need. Concepts are explained in an easy-tounderstand format, with plenty of examples. Exercises at the end of each chapter provide scope for ample practice.
