Home-Economics is one of the most reputed departments of our Institute. It was established in the year 1968 along with Faculty of Arts in the college. Home Economics has been one of the most important optional subjects in the under graduation programme, Bachelor of Arts. Mrs. Sunanda Varadhpande was the first Head of Department.

Vision:-

To empower the girl students to contribute in family management, child development and to face the challenges of a globalized world while remaining rooted in the values and practices of their own culture.

The Department encourages, motivates and provides opportunities to the students to showcase their talent. Home-Economics department organises various programmes for women empowerment. In order to make women self employed, department organises workshops on Flower Arrangement, Cake Baking, Rangoli Making etc.

Students of the department have an excellent academic record of bagging several merit positions in university examinations.

After completing this course, students can become self-employed. They can have careers in food service industries. The department provides

opportunities to understand basic human necessities and promote well being of the families and society.
